

**Weekly News Letter – Autumn Week 3**  
**Friday 21st September 2018**

School email address: [admin@kells-inf.cumbria.sch.uk](mailto:admin@kells-inf.cumbria.sch.uk)

Telephone number: 01946 691865

**Don't forget**

The coffee morning and cake stall on Thursday 27<sup>th</sup> September for Macmillan Cancer Relief. Cakes and coffee will be available in both the hall and the canteen. You are welcome to have your child with you at the coffee morning but please let their teacher know they have arrived. If you are able to bake for us we would be delighted to have cakes to sell. Please could you bring any cakes after school on Wednesday or at the start of school on Thursday.

Thanks very much. We hope to see you there ☺

**Pick up and Drop off Times**

Doors open at 08:45am and your child should be settled into school by 08:55. Morning Nursery starts at 08:45am and finishes at 11:45am. Afternoon Nursery starts at 12:10pm and finishes at 3:10pm. Lateness reduces the time your children spend learning and the time we have to teach. Children should be collected at the end of the day at 3:10pm. Staff have meetings or afterschool clubs to prepare for each evening and are not available to continue to supervise children. **Please remember to be punctual at the beginning and the end of each day.**

**Remember**  
**Rec, Year1 & Year 2**  
Please remember to complete and return your Nasal Flu Vaccine forms indicating whether or not you give your consent. Thank you.  
☺

**Nursery & Reception Classes**  
Step into a child's shoes by taking part in fun phonic activities your children enjoy in school. The sessions will take place on 3<sup>rd</sup> & 10<sup>th</sup> October. More information to follow...

Remember that when on school premises whether inside or outside the school building we are a school that teaches respect of each other and this includes the language we use to and about each other. Thank you ☺

The **Nursery** children have been learning about the moon this week. Over the weekend please could you try to look for the moon with your child and ask them what they would see if they stood on the moon.

As part of encouraging and developing a healthy start to life each child has been given a toothbrush, toothpaste and an information leaflet for you to share with your child.

**Let's Smile 4 Life !**
